III. SETTLEMENT BENEFITS

3.1 **Pro Rata Cash Payment.** All Settlement Class Members who submit a valid claim using the Claim Form to this Settlement Agreement, may request a pro rata cash payment (either GIPA or Pro Rata Cash) (the “Cash Payment”). The Class Member may only choose one form of Cash Payment relied by submitting a Claim Form to the Settlement Administrator no later than 90 days after the Notice Date, or other deadline approved by the Court (the “Claims Deadline”). The Cash Payment will be calculated in accordance with ¶ 3.3 below. The Cash Payment amount per valid claim will be determined by the amount remaining in the Qualified Settlement Fund after deductions for Costs of Settlement Administration, and Fee Award and Costs.

- (a) **GIPA Cash Compensation (GIPA Cash Payment):** After the distribution of attorneys’ fees, Class Counsel’s Litigation Expenses, Administrative Fees, Compensation for Out-of-Pocket Expenses, the Settlement Administrator will make *pro rata* settlement payments of 50% of any remaining settlement funds to each Illinois GIPA Subclass Member who submits a valid claim for GIPA cash compensation. This may result in a pro rata distribution of the GIPA Cash Payment amount and will be capped at \$1,000. It is expected that the GIPA Cash Payment amount for each valid claim will exceed the amount of the Pro Rata Cash Payment.
 - i. Qualification for a GIPA claim will require attestation by Class Members stating generally that they are currently or formerly an Illinois resident and that they personally shared and provided their Genetic Information with NMH or any Elekta Customer located in Illinois at any time before the Data Security Incident.
 - ii. Any funds that remain after paying all claims up to the \$1,000 cap, will be allocated to the Pro Rata Cash Payment in section 3.1(b).

- (b) **Cash Compensation (Pro Rata Cash Payment):** After the distribution of attorneys’ fees, Class Counsel’s Litigation Expenses, Administrative Fees, and Compensation for Out-of-Pocket Expenses, the Settlement Administrator will make *pro rata* settlement payments of 50% of any remaining funds to each Class Member who submits a claim plus any amount remaining from GIPA Cash Payments to the extent such payments under ¶ 3.1(a) above reach the \$1,000 cap.

3.2 **Out-of-Pocket Loss Claims.** In addition to the Pro Rata Cash Payment options in ¶ 3.1(a)&(b), Settlement Class Members may submit Claim Forms selecting the Out-of-Pocket Loss Option. Claims will be subject to review for completeness and plausibility by the Settlement Administrator.

- (a) Compensation for unreimbursed losses upon submission of a valid and timely Claim and supporting documentation, for Out-of-Pocket Losses more likely than not resulting from the Data Security Incident, up to a maximum amount of \$5,000.

- (b) The Settlement Administrator shall have the sole discretion and authority to determine whether the prerequisites have been met to award payments for Out-of-Pocket Losses.

3.3 The Qualified Settlement Fund shall be used to pay, in the following order: (i) all Costs of Settlement Administration; (ii) Fee Award and Costs; (iii) approved Out-of-Pocket Loss Claims; and (iv) approved Pro Rata Cash Payments. The value of Cash Option claims will be calculated by subtracting from the Qualified Settlement Fund the deductions listed as (i)-(iv) in the preceding sentence (“Remaining Fund”). The Remaining Fund will be divided by the number of valid claims submitted and the Cash Payment will be paid.

3.4 The Settlement Administrator shall verify that each Person who submits a Claim Form is a Settlement Class Member. No Settlement Class Member may have more than one valid Claim Form. Ambiguities or deficiencies on the face of the Claim Form shall be resolved by the Settlement Administrator.

3.5 The Qualified Settlement Fund shall be the sole source of monetary funds for the relief set forth herein.

3.6 For any payments returned to the Settlement Administrator as undeliverable (including, but not limited to, when the intended recipient is no longer located at the address), the Settlement Administrator shall make reasonable efforts to locate a valid address and resend the payment within 30 days after the payment is returned to the Settlement Administrator as undeliverable. In attempting to locate a valid address, the Settlement Administrator is authorized to send an email and/or place a telephone call to that Settlement Class Member to obtain updated address information. Only one replacement payment may be issued per Settlement Class Member.

3.7 If the Settlement Administrator is notified that a Settlement Class Member is deceased, the Settlement Administrator is authorized to reissue payment to the Settlement Class Member’s estate upon receiving proof that the Settlement Class Member is deceased and after consultation with Class Counsel.

3.8 **Residual Funds.** If any monies remain in the Qualified Settlement Fund more than one hundred twenty (120) days after the distribution of Settlement Payments, a subsequent payment will be distributed to a Non-Profit Residual Recipient to be proposed by Class Counsel and agreed by Elekta, such approval not to be unreasonably withheld, and subject to court approval.

3.9 **Business Practices Changes.** Defendants agree to provide written confirmation to Class Counsel of business practices changes taken after the Data Security Incident to protect the data security of the Class Representatives and the Settlement Class. Costs associated with these business practices changes shall be separate and apart from the Settlement Amount.

IV. CLAIM RESOLUTION

4.1 Upon receipt of an incomplete or unsigned Claim Form or a Claim Form that is not accompanied by sufficient documentation to determine whether the claimant is a Settlement Class Member, the Settlement Administrator shall request additional information (“Claim Supplementation”) and give the claimant 30 days to cure the defect before rejecting the claim. If the defect is not timely cured, then the claim will be deemed invalid and there shall be no obligation to pay the claim.

4.2 Following receipt of additional information requested as Claim Supplementation, the Settlement Administrator shall have 30 days to accept or reject each claim. If, after review of the claim and all documentation submitted by the claimant, the Settlement Administrator determines that such a claim is valid, either in whole or in part, then the claim shall be paid, to the extent that the Settlement Administrator finds the claim to be valid. If the claim is not valid because the claimant has not provided all information needed to complete the Claim Form and evaluate the claim, then the Settlement Administrator may reject the claim without any further action, subject to the provisions of ¶ 4.1.

4.3 A Settlement Class Member shall have 30 days thereafter to appeal the Settlement Administrator's determination.

4.4 If there is any ambiguity with respect to a Settlement Class Member's election of monetary compensation and the Settlement Administrator cannot resolve the ambiguity, the ambiguous Claim Form shall default to providing a Cash Option payment under ¶ 3.1(b).

V. PRELIMINARY APPROVAL AND NOTICE OF FAIRNESS HEARING

5.1 Within 14 days after the execution of the Settlement Agreement, Class Counsel shall prepare a Motion for Preliminary Approval and provide it to Defendants' Counsel for review. No later than ten business days after that, Class Counsel shall file a Motion for Preliminary Approval of Class Action Settlement, including the Settlement Agreement, with the Court requesting, among other things:

- (a) certification of the Settlement Class for settlement purposes only;
- (b) preliminary approval of the Settlement Agreement as set forth herein;
- (c) appointment of Proposed Class Counsel;
- (d) appointment of Plaintiffs as the Class Representatives;
- (e) appointment of the Settlement Administrator;
- (f) as soon as practicable, the Settlement Administrator shall establish the Settlement Website. The Parties shall meet and confer and choose a mutually acceptable URL for the Settlement Website; and
- (g) approval of a Claim Form substantially similar to that attached hereto as **Exhibit A**.

The Short Notice, Long Notice, and Claim Form shall be reviewed by the Settlement Administrator and may be revised as agreed upon by the Settling Parties before such submission to the Court for approval. The Parties agree, along with consultation with the Settlement Administrator, that the Notice Plan will provide adequate notice to the Class under the circumstances of this case.

5.2 The cost of notice to the Settlement Class in accordance with the Preliminary Approval Order, together with the Costs of Settlement Administration, shall be paid from the

Qualified Settlement Fund. Attorneys' fees, costs, and expenses of Class Counsel shall also be paid from the Qualified Settlement Fund. Notice shall be provided to Settlement Class Members by a nationally recognized notice provider and in a manner that satisfies constitutional requirements and due process. The notice plan shall be subject to approval by the Court as meeting the requirements of Fed. R. Civ. P. 23 and constitutional due process requirements. The Settlement Administrator shall establish a dedicated Settlement Website and shall maintain and update the website throughout the claim period, with the forms of Short Notice, Long Notice, and Claim Form approved by the Court, as well as this Settlement Agreement. A toll-free help line staffed with a reasonable number of live operators shall be made available to address Settlement Class Members' inquiries (with the cost of any such help line and live operators to be paid from the Qualified Settlement Fund). The Settlement Administrator also will provide copies of the forms of Short Notice, Long Notice, and Claim Form approved by the Court, as well as this Settlement Agreement, upon request. Before the Final Fairness Hearing, Proposed Class Counsel shall cause to be filed with the Court an appropriate affidavit or declaration with respect to complying with this provision of notice. The Short Notice, Long Notice, and Claim Form approved by the Court may be adjusted by the Settlement Administrator, respectively, in consultation and agreement with the Settling Parties, as may be reasonable and necessary and not inconsistent with such approval. The Notice shall commence within 30 days of the entry of the Preliminary Approval Order and shall be substantially completed within 15 days of the Notice Date.

5.3 Class Counsel and Defendants' Counsel shall request the Court hold the Final Approval Hearing after Notice is completed and grant final approval of the Settlement set forth herein. The requested date for the Final Approval hearing shall be approximately six months from the date of preliminary approval.

VI. SETTLEMENT CLASS NOTICE

6.1 Within ten (10) days after the entry of the Preliminary Approval Order, Defendants shall provide a list of the Settlement Class members based on Defendants best good-faith reasonable efforts to identify Settlement Class members to the Settlement Administrator. Within thirty (30) days after the Preliminary Approval Order is entered, the Settlement Administrator shall disseminate Notice to the Settlement Class Members. Notice shall be disseminated via first-class U.S. mail to all Settlement Class Members, to the extent mailing addresses are known. To the extent that Class Counsel believes that reminder notices should be sent to Settlement Class Members, Class Counsel may direct the Settlement Administrator to send reminder notices to Settlement Class Members, which shall be sent sixty (60) days after the Notice Date and the cost of which shall be Notice and Administrative Expenses that are paid from the Settlement Fund. The process to issue Notice as described in this Paragraph and the creation and maintenance of the Settlement Website shall constitute the "Notice Plan."

6.2 The Notice must set forth the time and place of the Final Approval Hearing (subject to change) and state that any Settlement Class Member who does not file a timely and adequate objection in accordance with this Paragraph waives the right to object or to be heard at the Final Approval Hearing and shall be forever barred from making any objection to the Settlement.

VII. OPT-OUT PROCEDURES

7.1 Each Person wishing to opt-out of the Settlement Class shall individually sign and timely submit written notice of such intent to the designated postal address established by the Settlement Administrator. The written notice must clearly manifest a Person's intent to be excluded from the Settlement Class, which intent shall be determined by the Settlement Administrator. Written notice must be postmarked by the Claims Deadline to be effective. Settlement Class Members may only opt-out on behalf of themselves; mass or class opt-outs will not be valid.

7.2 All Persons who submit valid and timely notices of their intent to be excluded from the Settlement Class, as set forth in ¶ 7.1 above, referred to herein as "**Opt-Outs**," shall not receive any benefits of and/or be bound by the terms of this Settlement Agreement. All Persons falling within the definition of the Settlement Class who do not request to be excluded from the Settlement Class in the manner set forth in ¶ 7.1 above shall be bound by the terms of this Settlement Agreement and Judgment entered thereon.

7.3 Commencing one week from the date Notice commences, the Settlement Administrator will notify Defendants' Counsel and Class Counsel regarding the number of potential Settlement Class Members that have elected to opt-out of the Settlement Class and will continue to provide weekly updates. No later than 10 days after the Claims Deadline, the Settlement Administrator shall provide a final report to Class Counsel and Defendants' Counsel that summarizes the number of written notifications of Opt-Outs received to date, and other pertinent information as requested by Class Counsel and Defendants' Counsel.

7.4 In the event that 250 potential Settlement Class Members have elected to Opt-Out of the Settlement Class, Defendants may terminate this Settlement Agreement and any settlement terms or agreements then in effect subject to ¶ 13.2. In this event, Defendants shall be obligated to pay all settlement expenses already incurred by the Settlement Administrator, excluding any attorneys' fees, costs, and expenses of Class Counsel. Defendants shall not solicit, suggest, or encourage class members, either directly or indirectly, to opt out of the Settlement.

VIII. OBJECTION PROCEDURES

8.1 Each Settlement Class Member desiring to object to the Settlement Agreement shall submit a timely written notice of his or her objection. Such notice shall state: (i) the objector's full name, address, telephone number, and email address (if any); (ii) information identifying the objector as a Settlement Class Member, including proof that the objector is a member of the Settlement Class (e.g., copy of notice or copy of original notice of the Data Security Incident); (iii) a written statement of all grounds for the objection, accompanied by any legal support for the objection the objector believes applicable; (iv) the identity of all counsel representing the objector; (v) the identity of all counsel representing the objector who will appear at the Final Approval Hearing; (vi) a list of all Persons who will be called to testify at the Final Approval Hearing in support of the objection; (vii) a statement confirming whether the objector intends to personally appear and/or testify at the Final Approval Hearing; and (viii) the objector's signature and the signature of the objector's duly authorized attorney or other duly authorized representative, along with documentation setting forth such representation. To be timely, written notice of an objection

in the appropriate form must be filed with and/or submitted to the Clerk of the Court no later than 30 days before the Claims Deadline.

8.2 Except upon a showing of good cause, any Settlement Class Member who fails to comply with the requirements for objecting in ¶ 8.1 shall waive and forfeit any and all rights he or she may have to appear separately and/or to object to the Settlement Agreement, and shall be bound by all the terms of the Settlement Agreement and by all proceedings, orders and judgments in the Litigation. The exclusive means for any challenge to the Settlement Agreement shall be through the provisions of ¶ 8.1.

8.3 Submitting an objection notice under this Section shall constitute the objecting Settlement Class Member's consent to jurisdiction of the Court and to accept service of process, including subpoenas for testimony, at the email address provided in the objection notice.

8.4 A Settlement Class Member who files an objection waives the right to opt-out, and vice versa.

IX. RELEASE

9.1 Upon the date the Judgment becomes Final, each Settlement Class Member, including Class Representatives, shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever released, relinquished, and discharged all Released Claims against all Released Persons. Further, upon the date the Judgment becomes Final, and to the fullest extent permitted by law, each Settlement Class Member, including Class Representatives, shall, either directly, indirectly, representatively, as a member of or on behalf of the general public or in any capacity, be permanently barred and enjoined from commencing, prosecuting, or participating in any recovery in any action in this or any other forum (other than participation in the settlement as provided herein) in which any of the Released Claims is asserted.

X. PROPOSED CLASS COUNSEL'S ATTORNEYS' FEES AND EXPENSES

10.1 The Settling Parties did not negotiate the attorneys' fees and expenses, other than to agree that Class Counsel may make a Fee Application to the Court. Class Counsel intends to seek not more than one-third (1/3) of the Qualified Settlement Fund as attorneys' fees. In addition to the attorneys' fees, Class Counsel will also seek an order from the Court granting reimbursement for a reasonable amount of out-of-pocket costs and expenses actually incurred.

10.2 Any award of attorneys' fees and expenses awarded by the Court shall be paid to Class Counsel by the Settlement Administrator at least ten (10) and no more than thirty (30) days after Elekta makes the payment referenced in Section 2.2. Class Counsel, in their sole discretion, shall allocate and distribute attorneys' fees, costs, and expenses awarded by the Court among Class Counsel. The amount of attorneys' fees, costs, and expenses to be awarded shall be a matter of complete discretion of the Court upon consideration of the complete factual record before the Court at the Final Fairness Hearing.

10.3 The Fee Award, Costs, and Expenses are intended to be considered by the Court separately from the Court's consideration of the fairness, reasonableness, and adequacy of the settlement. No order of the Court, or modification or reversal or appeal of any order of the Court,

concerning the amount of any attorneys' fees, costs, expenses shall affect whether the Judgment is Final or constitute grounds for cancellation or termination of this Settlement Agreement.

XI. ADMINISTRATION OF CLAIMS

11.1 The Settlement Administrator shall administer and calculate the claims submitted by Settlement Class Members. Class Counsel and Defendants' Counsel shall be given reports as to both claims and distribution periodically or as requested and have the right to review and obtain supporting documentation and challenge such reports if they believe them to be inaccurate or inadequate. Any determination by the Settlement Administrator regarding the validity or invalidity of any such claims shall be binding, subject to the Claim Resolution process set forth in Section 4.

11.2 Settlement Class Members with approved claims shall be able to select from a variety of payment options, including Zelle, PayPal, Venmo, ACH, virtual pre-paid Mastercard and/or paper check. Payments to Settlement Class Members for approved claims shall be transmitted or mailed and postmarked within 60 days of the date the Judgment becomes Final.

11.3 All Settlement Class Members who fail to timely submit a claim for any benefits hereunder within the time frames set forth herein, or such other period as may be ordered by the Court, or otherwise allowed, shall be forever barred from receiving any payments or benefits pursuant to the settlement set forth herein, but will in all other respects be subject to, and bound by, the provisions of the Settlement Agreement, the releases contained herein and the Judgment.

11.4 No Person shall have any claim against Defendants, Class Counsel, Defendants' Counsel, any of the Released Persons and the Class Representatives based on distributions of benefits to Settlement Class Members or any alleged failure by Defendants to implement the Business Practices Changes in ¶ 3.9.

11.5 Information submitted by Settlement Class Members pursuant to this Settlement Agreement shall be deemed confidential and protected as such by Defendants and the Settlement Administrator.

XII. DUTIES OF THE SETTLEMENT ADMINISTRATOR

12.1 The Settlement Administrator shall perform the functions specified in this Agreement and its Exhibits, including, but not limited to:

- (a) Providing notice of this Settlement, to the extent reasonably available, to Settlement Class Members;
- (b) Obtaining information, to the extent reasonably available, to establish a reasonably practical procedure to verify Settlement Class Members;
- (c) Effecting the notice plan as approved by the Court;
- (e) Establishing and maintaining a Post Office box or other mailing address for mailed written notifications of Opt-Outs from the Settlement Class;

- (f) Establishing and maintaining the settlement website that, among other things, allows Settlement Class Members to submit claims electronically;
- (g) Establishing and maintaining a toll-free telephone line for Settlement Class Members to call with settlement-related inquiries, and answering the questions of Settlement Class Members who call with or otherwise communicate such inquiries;
- (h) Responding to any mailed or emailed Settlement Class Member inquiries;
- (i) Mailing paper copies of the Notice and/or Claim Forms to Settlement Class Members who request them;
- (j) Processing all written notifications of Opt-Outs from the Settlement Class;
- (k) Providing reports on Opt-Out notices received;
- (l) In advance of the Final Approval Hearing, preparing affidavits to submit to the Court that: (i) attest to implementation of the notice plan in accordance with the Preliminary Approval Order; and (ii) identify each Settlement Class Member who timely and properly provided written notification of Opt-Out;
- (m) Within 60 days after the date the Judgment becomes Final, provide activation instructions and/or payment via paper checks or digital payment, either electronically or by U.S. or International Mail, to Settlement Class Members who have submitted valid claims for monetary compensation as set forth herein;
- (n) Providing weekly reports and a final report to Class Counsel and Defendants' Counsel that summarize the number and amount of claims and Opt-Outs since the prior reporting period, the total number and amount of claims and Opt-Outs received to date, the number and amount of any claims approved and denied since the prior reporting period, the total number and amount of claims approved and denied to date, and other pertinent information as requested by Class Counsel and Defendants' Counsel;
- (o) Paying all Taxes and Tax-Related Expenses from the Qualified Settlement Fund;
- (p) Performing any function related to settlement administration at the agreed upon instruction of both Class Counsel and Defendants' Counsel in a frugal and prudent manner, including, but not limited to, verifying that cash payments have been distributed;
- (q) Determining the validity of, and processing all claims submitted by Settlement Class Members;
- (r) Overseeing administration of the Qualified Settlement Fund; and
- (s) Within six (6) months after the Effective Date and completion of the administration, after providing Proposed Class Counsel at least ten (10) calendar days advance notice of invocation of this section, all originals, copies, documents, transcriptions, iterations, or drafts of the contact information for Class Members or any portion thereof shall, in

Defendants' sole discretion be either (i) returned to Counsel for Defendants by the Settlement Administrator or (ii) permanently destroyed by the Settlement Administrator, with the Settlement Administrator certifying in writing that such destruction has occurred.

12.2 All expenses incurred by the Settlement Administrator shall be paid solely from the Qualified Settlement Fund.

XIII. CONDITIONAL CLASS CERTIFICATION FOR SETTLEMENT PURPOSES, CONDITIONS OF SETTLEMENT, EFFECT OF DISAPPROVAL, CANCELLATION, OR TERMINATION

13.1 In the event any of the following events, this Settlement Agreement shall be canceled and terminated subject to ¶ 13.2 unless Class Counsel and Defendants' Counsel mutually agree in writing to proceed with the Settlement Agreement: (i) the Court declines to enter an Order of Preliminary Approval and Publishing of Notice of a Final Approval Hearing as set forth in ¶ 5.1; (ii) a Party has exercised any option to terminate the Settlement Agreement provided by this Agreement or its Exhibits; or (iii) the Court declines to enter the Judgment granting final approval to the settlement as set forth herein.

13.2 In the event that (i) the Settlement Agreement is not approved by the Court and one or both parties decide not to revise the terms of the Settlement Agreement to address the Court's concerns and seek approval of a revised agreement, or (ii) the settlement set forth in the Settlement Agreement is terminated in accordance with its terms, including ¶ 7.4, then (a) the Settling Parties shall be restored to their respective positions in the Litigation as if the Agreement had never been entered into, any remaining funds in the Qualified Settlement Fund shall immediately be returned to Defendants within seven business days, and the Settling Parties shall jointly request that all scheduled litigation deadlines be reasonably extended by the Court so as to avoid prejudice to any Settling Party or Settling Party's counsel, and (b) the terms and provisions of the Settlement Agreement and statements made in connection with seeking approval of the Agreement shall have no further force and effect with respect to the Settling Parties and shall not be used in the Litigation or in any other proceeding for any purpose, and any judgment or order entered by the Court in accordance with the terms of the Settlement Agreement shall be treated as vacated, *nunc pro tunc*. Notwithstanding any statement in this Settlement Agreement to the contrary, no order of the Court or modification or reversal on appeal of any order reducing attorneys' fees, costs, and expenses shall constitute grounds for cancellation or termination of the Settlement Agreement.

13.3 The Settling Parties agree, for purposes of this settlement only, to the conditional certification of the Settlement Class. If the settlement set forth in this Settlement Agreement is not approved by the Court, or if the Settlement Agreement is terminated or cancelled pursuant to the terms of this Settlement Agreement, this Settlement Agreement, and the certification of the Settlement Class provided for herein, will be vacated and the Litigation shall proceed as though the Settlement Class had never been certified, without prejudice to any Person's or Settling Party's position on the issue of class certification or any other issue. The Settling Parties' agreement to the certification of the Settlement Class is also without prejudice to any position asserted by the Settling Parties in any other proceeding, case or action, as to which all of their rights are specifically preserved. Any agreements between the Parties or motions in support of certification of a settlement class and/or approval of the settlement filed with the Court shall be inadmissible in

connection with any subsequent motion in support of or in opposition to class certification made in the Litigation.

13.4 Defendants will cooperate to provide reasonable and adequate information to Class Counsel so that they can perform sufficient due diligence to be able to move for preliminary approval of this settlement and class certification in good faith.

XIV. MISCELLANEOUS PROVISIONS

14.1 The Settling Parties (i) acknowledge that it is their intent to consummate this Agreement; and (ii) agree to cooperate to the extent reasonably necessary to effectuate and implement all terms and conditions of this Settlement Agreement, and to exercise their best efforts to accomplish the terms and conditions of this Settlement Agreement.

14.2 The Settling Parties intend this settlement to be a final and complete resolution of all disputes between them with respect to the Litigation and the Released Claims. The settlement compromises any and all claims that are contested and shall not be deemed an admission by any Settling Party as to the merits of any claim or defense. The Settling Parties each agree that the settlement was negotiated in good faith by the Settling Parties and reflects a settlement that was reached voluntarily after consultation with competent legal counsel. The Settling Parties reserve their right to rebut, in a manner that such party determines to be appropriate, any contention made in any public forum that the Litigation was brought or defended in bad faith or without a reasonable basis.

14.3 Neither this Settlement Agreement, nor the settlement contained herein, nor any act performed or document executed pursuant to or in furtherance of this Settlement Agreement or the settlement (i) is or may be deemed to be or may be used as an admission of, or evidence of, the validity or lack thereof of any Released Claim, or of any wrongdoing or liability of any of the Released Persons; (ii) is or may be deemed to be or may be used as an admission of, or evidence of, any fault or omission of any of the Released Persons in any civil, criminal or administrative proceeding in any court, administrative agency or other tribunal; or (iii) may be cited or relied upon to support any private cause of action or claim in any court, administrative agency or other tribunal. Any of the Released Persons may file this Settlement Agreement and/or the Judgment in any action that may be brought against them or any of them in order to support a defense or counterclaim based on principles of res judicata, collateral estoppel, release, good faith settlement, judgment bar, or reduction or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim.

14.4 This Settlement Agreement may be amended or modified only by a written instrument signed by or on behalf of all Settling Parties or their respective successors-in-interest.

14.5 This Settlement Agreement, together with the Exhibits attached hereto, constitutes the entire agreement among the Settling Parties, and no representations, warranties or inducements have been made to any party concerning this Settlement Agreement other than the representations, warranties and covenants contained and memorialized in such document. Except as otherwise provided herein, each party shall bear its own costs. This Settlement Agreement supersedes all previous agreements made by the Settling Parties, except that all agreements made and orders

entered during the course of the Litigation relating to the confidentiality of information shall survive this Settlement Agreement.

14.6 Proposed Class Counsel, on behalf of the Settlement Class, are expressly authorized by Class Representatives to take all appropriate actions required or permitted to be taken by the Settlement Class pursuant to the Settlement Agreement to effectuate its terms, and also are expressly authorized to enter into any modifications or amendments to the Settlement Agreement on behalf of the Settlement Class which they deem appropriate in order to carry out the spirit of this Settlement Agreement and to ensure fairness to the Settlement Class.

14.7 Each of the undersigned attorneys represents that he or she is fully authorized to enter into the terms and conditions of, and to execute, this Agreement, subject to Court approval.

14.8 The Settlement Agreement may be executed in one or more counterparts. All executed counterparts and each of them shall be deemed to be one and the same instrument. A complete set of original executed counterparts shall be filed with the Court.

14.9 The Settlement Agreement shall be binding upon, and inure to the benefit of, the successors and assigns of the Settling Parties.

14.10 The Court shall retain jurisdiction with respect to implementation and enforcement of the terms of the Settlement Agreement, and all Settling Parties submit to the jurisdiction of the Court for purposes of implementing and enforcing the settlement embodied in the Settlement Agreement.

14.11 The Settlement Agreement shall be considered to have been negotiated, executed, and delivered, and to be wholly performed, in the State of Georgia, and the rights and obligations of the Settling Parties shall be construed and enforced in accordance with, and governed by, the internal, substantive laws of the State of Georgia without giving effect to choice of law principles.

14.12 All dollar amounts are in United States dollars.

14.14 Within 10 days of the filing of Plaintiffs' Motion for Preliminary Approval, Defendants shall provide CAFA notice required by 28 U.S.C. § 1715(b).

This can include receipts or other documentation that I have not “self-prepared.” I understand that “self-prepared” documents such as handwritten receipts are, by themselves, insufficient to receive reimbursement, but can be considered to add clarity or support other submitted documentation. I understand the settlement administrator may contact me for additional information before processing my claim. If I do not have information supporting my claim for unreimbursed monetary losses, I likely will not receive compensation for this settlement benefit. **I understand that any monetary compensation I may receive under the settlement is capped at \$5,000.00 for out-of-pocket expenses.**

Description of the unreimbursed, out-of-pocket loss or expenses incurred, and the documents attached to support this claim:

Please sign below indicating that you are submitting this Claim for Out-of-Pocket Losses and your representations of these losses are true and correct to the best of your knowledge and belief, and are being made under penalty of perjury.

BASIC INFORMATION

1. Why is there a notice?

The Court authorized this notice because you have a right to know about the Settlement, and all of your options, before the Court decides whether to give “final approval” to the Settlement. This notice explains the nature of the lawsuit that is the subject of the Settlement, the general terms of the Settlement, and your legal rights and options.

United States District Court Judge Steven D. Grimberg of the Northern District of Georgia is overseeing this case captioned as *Tracy v. Elekta, Inc.* Case No. 1:21- CV-02851. The people who brought the lawsuit are called the Plaintiffs. The Plaintiffs are Carla Tracy, Darryl Bowsky, and Deborah Harrington. The entities being sued, Elekta, Inc. and Northwestern Memorial Healthcare, are called the Defendants.

2. What is this lawsuit about?

The lawsuit claims that Defendants were legally responsible for the Data Security Incident and asserts claims such as negligence, negligence per se, breach of implied contract, and violations of the Illinois Genetic Information Privacy Act.

Defendants deny these claims and say they did not do anything wrong. No court or other judicial entity has made any judgment or other determination that Defendants have any liability for these claims or did anything wrong.

3. Why is this lawsuit a class action?

In a class action, one or more people called class representatives or representative plaintiffs sue on behalf of all people who have similar claims. Together, all of these people are called a class, and the individuals are called class members. One court resolves the issues for all class members, except for those who exclude themselves from the class.

4. Why is there a Settlement?

The Court has not decided in favor of the Plaintiffs or Defendants. Instead, both sides agreed to the Settlement. The Settlement avoids the cost and risk of a trial and related appeals, while providing benefits to members of the Settlement Class (“Settlement Class Members”). The Class Representatives appointed to represent the Settlement Class and the attorneys for the Settlement Class (“Class Counsel,” see Question 18) think the Settlement is best for all Settlement Class Members.

WHO IS IN THE SETTLEMENT?

5. How do I know if I am part of the Settlement?

You are affected by the Settlement and potentially a member of the Settlement Class if you reside in

the United States and your Sensitive Information was accessed or potentially accessed in connection with the Data Incident, including if you were mailed a notification letter regarding the Data Incident.

Only Settlement Class Members are eligible to receive benefits under the Settlement. Specifically excluded from the Settlement Class are (1) the judge presiding over the class action lawsuit and the judge's direct family members; (2) the Defendants, their subsidiaries, parent companies, successors, predecessors, and any entity in which the Defendants or their parents have a controlling interest, and their current or former officers, directors, and employees; and (3) Settlement Class Members who submit a valid request to be excluded from the Settlement.

6. What if I am not sure whether I am included in the Settlement?

If you are not sure whether you are included in the Settlement, you may call 1-###-###-#### with questions. You may also write with questions to:

THE SETTLEMENT BENEFITS – WHAT YOU GET IF YOU QUALIFY

7. What does the Settlement provide?

The Settlement provides that Defendants will fund the following payments up to a total of \$8,900,000: (a) up to \$5,000 for reimbursement of your documented Out-of-Pocket Losses reasonably traceable to the Data Incident; (b) an estimated GIPA cash payment, subject to an adjustment, and/or (c) an estimated pro rata payment, subject to adjustment as set forth below.

Claimants must choose which cash payment they are eligible to receive:

- (a) **GIPA Cash Compensation (GIPA Cash Payment):** After the distribution of attorneys' fees, Class Counsel's Litigation Expenses, Administrative Fees, and Compensation for Out-of-Pocket Expenses, the Settlement Administrator will make *pro rata* settlement payments of 1/2 (50%) of any remaining funds to each Illinois GIPA Subclass Member who submits a claim for GIPA cash compensation. Any pro rata payment amount for the GIPA Cash Payment will be capped at \$1,000.00. **You must be an Illinois resident to select this option and must attest that you shared your genetic information with either Defendant.**

OR

- (b) **Cash Compensation (Pro Rata Cash Payment):** After the distribution of attorneys' fees, Class Counsel's Litigation Expenses, Administrative Fees, and Compensation for Out-of-Pocket Expenses, the Settlement Administrator will make *pro rata* settlement payments of 1/2 (50%) of any remaining funds to each Class Member who submits a Pro Rata Cash Payment claim plus any amount remaining under section (a) to the extent that the GIPA Cash Payments reach the \$1,000 cap.

Also, as part of the Settlement, Defendants either have undertaken or will undertake certain reasonable steps to further secure their systems and environments.

8. What payments are available for reimbursement under the Settlement?

Settlement Class Members who submit a claim are eligible to receive one or both of the following:

- a) Reimbursement of actual, documented, unreimbursed Out-of-Pocket Losses resulting from the Data Security Incident (up to \$5,000 in total), such as the following incurred on or after April 1, 2021:
 - Unreimbursed payment card fees or unreimbursed bank fees, including unreimbursed card reissuance fees, unreimbursed overdraft fees, unreimbursed charges related to unavailability of funds, unreimbursed late fees, unreimbursed over-limit fees and unreimbursed fees relating to an account being frozen or otherwise unavailable due to the Data Security Incident;
 - Cell, internet or text charges;
 - Unreimbursed costs or charges for obtaining credit reports or credit freezes incurred on or after May 2021 through the date of the Settlement Class Member's claim submission before the Claims Deadline;
 - Other unreimbursed costs associated with fraud and/or identity theft, including attorneys' fees and accountant fees; and,
 - Postage costs.

- b) A cash payment of one of the following types:
 - **Cash Compensation (GIPA Cash Payment):** After the distribution of attorneys' fees, Class Counsel's Litigation Expenses, Administrative Fees, and Compensation for Out-of-Pocket Expenses, the Settlement Administrator will make pro rata settlement payments of 1/2 (50%) of any remaining funds to each Illinois GIPA Subclass Member who submits a claim for GIPA cash compensation. Any pro rata payment amount for the GIPA Cash Payment will be capped at \$1,000.00. **You must be an Illinois resident to select this option and must attest that you shared your genetic information with Defendant NMH or any Elekta Customer located in Illinois.**

OR

- **Cash Compensation (Pro Rata Cash Payment):** After the distribution of attorneys' fees, Class Counsel's Litigation Expenses, Administrative Fees, and Compensation for Out-of-Pocket Expenses, the Settlement Administrator will make pro rata settlement payments of 1/2 (50%) of any remaining funds to each Class Member who submits a claim plus any amount remaining under section (a) to the extent that the GIPA Cash Payments reach the \$1,000.00 cap.

HOW DO YOU SUBMIT A CLAIM?

9. How do I get a benefit?

To receive a benefit under the Settlement, you must complete and submit a claim for that benefit (a "Claim"). Every Claim must be made on a form ("Claim Form") available at www.elektadatasettlement.com or by calling 1-###-###-####. Claim Forms will also be sent to Settlement Class Members as part of the postcard notice and tear-off claim form that will be mailed

to Settlement Class Members. Read the instructions carefully, fill out the Claim Form, provide the required documentation, and submit it according to the instructions on the Claim Form.

10. How will claims be decided?

The Settlement Administrator will decide whether and to what extent any Claim made on each Claim Form is valid. The Settlement Administrator may require additional information. If you do not provide the additional information in a timely manner then the Claim will be considered invalid and will not be paid.

11. When will I get my payment?

The Court will hold a Final Approval Hearing on _____, 2025 at _____m. ET to decide whether to approve the Settlement. If the Court approves the Settlement, there may be appeals from that decision and resolving those can take time, perhaps more than a year. It also takes time for all the Claim Forms to be processed. Please be patient.

WHAT DO THE DEFENDANTS GET?

12. What am I giving up as part of the Settlement?

The Defendants get a release from all claims covered by this Settlement. Thus, if the Settlement becomes final and you do not exclude yourself from the Settlement, you will be a Settlement Class Member and you will give up your right to sue Defendants and other persons (“Released Parties”) as to all claims (“Released Claims”) arising out of or relating to the Data Incident. This release is described in the Settlement Agreement, which is available at www.elektadatasettlement.com. If you have any questions you can talk to the law firms listed in Question 18 for free or you can talk to your own lawyer.

EXCLUDING YOURSELF FROM THE SETTLEMENT

If you do not want to be part of this Settlement, then you must take steps to exclude yourself from the Settlement Class. This is sometimes referred to as “opting out” of the Settlement Class.

13. If I exclude myself, can I get a payment from this Settlement?

No. If you exclude yourself, you will not be entitled to receive any benefits from the Settlement, but you will not be bound by any judgment in this case.

14. If I do not exclude myself, can I sue Defendants for the same thing later?

No. Unless you exclude yourself, you give up any right to sue Defendants (and any other Released Parties) for the claims that this Settlement resolves. You must exclude yourself from the Settlement Class to start your own lawsuit or to be part of any different lawsuit relating to the claims in this case. If you want to exclude yourself, do not submit a Claim Form to ask for any benefit under the Settlement.

15. How do I exclude myself from the Settlement?

To exclude yourself, send a letter that says you want to be excluded or opt-out from the Settlement

in *Tracy v. Elekta, Inc.* Case No. 1:21- CV-02851 (N.D. GA). The letter must: (a) state your full name, address, and telephone number; (b) contain your personal and original signature or the original signature of a person authorized by law to act on your behalf; and (c) state unequivocally your intent to be excluded from the Settlement. You must mail your exclusion request postmarked by _____, 2024, to:

Elekta Settlement Administrator
Attn: Exclusion Request
address
address

OBJECTING TO THE SETTLEMENT

16. How do I tell the Court that I do not like the Settlement?

You can tell the Court that you do not agree with the Settlement or some part of it by objecting to the Settlement. The Court will consider your views in its decision on whether to approve the Settlement. The Court can only approve or deny the Settlement and cannot change its terms. To object, timely written notice of an objection in the appropriate form must be filed with or submitted to the Clerk of the Court on or before the Objection Deadline: **[Month, Date], 2024**. The address for the Clerk of Court is U.S. District Court Clerk's Office, Richard B. Russell Federal Building & United States Courthouse, 2211 United States Courthouse, 75 Ted Turner Drive, SW, Atlanta, GA 30303-3309.

Your objection must be written and must include all of the following: i) the objector's full name, address, telephone number, and email address (if any); (ii) information identifying the objector as a Settlement Class Member, including proof that the objector is a member of the Settlement Class (e.g., copy of notice or copy of original notice of the Data Incident); (iii) a written statement of all grounds for the objection, accompanied by any legal support for the objection the objector believes applicable; (iv) the identity of all counsel representing the objector; (v) the identity of all counsel representing the objector who will appear at the Final Approval Hearing; (vi) a list of all Persons who will be called to testify at the Final Approval Hearing in support of the objection; (vii) a statement confirming whether the objector intends to personally appear and/or testify at the Final Approval Hearing; and (viii) the objector's signature and the signature of the objector's duly authorized attorney or other duly authorized representative, along with documentation setting forth such representation.

17. What is the difference between objecting and asking to be excluded?

Objecting is telling the Court that you do not like the Settlement and why you do not think it should be approved. You can object only if you are a Settlement Class Member. Excluding yourself is telling the Court that you do not want to be part of the Settlement Class and do not want to receive any payment or benefit from the Settlement. If you exclude yourself, then you have no basis to object because you are no longer a member of the Settlement Class and the case no longer affects you. If you submit both a valid objection and a valid request to be excluded, you will be deemed to have only submitted the request to be excluded.

THE LAWYERS REPRESENTING YOU

18. Do I have a lawyer in this case?

Yes. The Court appointed Bryan L. Bleichner of Chestnut Cambronne PA, and Terence R. Coates of

Markovits, Stock & DeMarco, LLC. Mr. Bleichner may be contacted at 100 Washington Avenue South, Suite 1700, Minneapolis, MN 55401; Email: BBleichner@chestnutcambronne.com. Mr. Coates may be contacted at 119 E. Court Street Suite 530, Cincinnati, OH 45202; Email: msd@msdlegal.com.

If you want to be represented by your own lawyer, then you may hire one at your own expense.

19. How will the lawyers be paid?

Class Counsel will ask the Court for an award for attorneys' fees up to one-third of the Qualified Settlement Fund (\$2,966,666.66), plus reimbursement of reasonable litigation expenses. Defendants have not agreed to the amount of any award of attorneys' fees, costs, and expenses. Any payment for attorneys' fees, costs, and expenses to Class Counsel will be made out of the Qualified Settlement Fund. Any such award would compensate Class Counsel for investigating the facts, litigating the case, and negotiating the Settlement and will be the only payment to them for their efforts in achieving this Settlement and for their risk in undertaking this representation on a wholly contingent basis.

Any award for attorneys' fees, costs, and expenses for Class Counsel must be approved by the Court. The Court may award less than the amount requested. Class Counsel's papers in support of final approval of the Settlement will be filed no later than _____, 2024 and their application for attorneys' fees, costs, and expenses will be filed no later than _____, 2024 and will be posted on the settlement website.

THE COURT'S FINAL APPROVAL HEARING

20. When and where will the Court decide whether to approve the Settlement?

The Court will hold a Final Approval Hearing at _____ m. EST on _____, 2025, at the U.S. District Court Clerk's Office, Richard B. Russell Federal Building & United States Courthouse, 2211 United States Courthouse, 75 Ted Turner Drive, SW, Atlanta, GA 30303, or by remote or virtual means as ordered by the Court. At this hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate. If there are timely and valid objections, then the Court will consider them and will listen to people who have asked to speak at the hearing if such a request has been properly made. The Court will also rule on the request for an award of attorneys' fees, and reasonable costs and expenses. After the hearing the Court will decide whether to approve the Settlement. We do not know how long these decisions will take. The hearing may be moved to a different date or time without additional notice, so Class Counsel recommend checking www.elektadatasettlement.com or calling 1-###-###-####.

21. Do I have to attend the hearing?

No. Class Counsel will present the Settlement Agreement to the Court. You or your own lawyer are welcome to attend at your expense, but you are not required to do so. If you send an objection, you do not have to visit the Court to talk about it. As long as you filed your written objection on time with the Court and mailed it according to the instructions provided in Question 16, the Court will consider it.

22. May I speak at the hearing?

You may ask the Court for permission to speak at the final approval hearing. To do so, you must file an objection according to the instructions in Question 16, including all the information required. Your objection must be **filed with and/or submitted to** the Clerk of the Court no later than _____, 2024. See No. 16 for further details on the requirements for submitting an objection to the Settlement.

IF YOU DO NOTHING

23. What happens if I do nothing?

If you do nothing you will not get any money from this Settlement. If the Settlement is granted final approval and the judgment becomes final, then you will not be able to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit against Defendants and the other Released Parties based on any of the Released Claims related to the Data Incident, ever again.

GETTING MORE INFORMATION

Case No. 1:21-cv-02851

[PROPOSED]
ORDER GRANTING PRELIMINARY APPROVAL OF CLASS ACTION
SETTLEMENT

Before this Court is Plaintiffs' Unopposed Motion for Preliminary Approval of Class Action Settlement ("Motion"). The Court has reviewed the Motion and Settlement Agreement between Plaintiffs and Defendants. After reviewing Plaintiffs' unopposed request for preliminary approval, this Court grants the Motion and preliminarily concludes that the proposed Settlement is fair, reasonable, and adequate.

IT IS HEREBY ORDERED THAT:

1. The Settlement Agreement,¹ including the proposed notice plan and forms of notice to the Class, the appointment of Plaintiffs Carla Tracy, Darryl Bowsky, and Deborah Harrington as the Class Representatives, the appointment of Class Counsel for Plaintiffs and the Class, the approval of EisnerAmper as the Settlement Administrator, the various forms of class relief provided under the terms of the settlement and the proposed method of distribution of settlement benefits, are fair, reasonable, and adequate, subject to further consideration at the Final Approval Hearing described below.

2. The Court does hereby preliminarily and conditionally approve and certify, for settlement purposes, the following Class and Subclass:

The Nationwide Class:

All persons residing in the United States who had their Sensitive Information hosted by Elekta compromised as a result of the Data Incident.

The Illinois GIPA Subclass:

All persons residing in the State of Illinois who had Genetic Information hosted by Elekta compromised as a result of the Data Incident.²

3. Based on the information provided: the Class is ascertainable; it

¹ All capitalized terms used in this Order shall have the same meanings as set for in the Settlement Agreement.

² “Data Incident” shall mean the April 2021 cybersecurity incident affecting Defendant Elekta giving rise to this Action.

consists of roughly 497,780 Settlement Class Members satisfying numerosity; there are common questions of law and fact including whether Defendants failed to implement and maintain reasonable security procedures and practices appropriate to the nature and scope of the information compromised in the Security Incident, satisfying commonality; the proposed Class Representatives' claims are typical in that they are members of the Class and allege they have been damaged by the same conduct as the other members of the Class; the proposed Class Representatives and Class Counsel fully, fairly, and adequately protect the interests of the Class; questions of law and fact common to members of the Class predominate over questions affecting only individual members for settlement purposes; and a class action for settlement purposes is superior to other available methods for the fair and efficient adjudication of this Action.

4. The Court appoints Plaintiffs Carla Tracy, Darryl Bowsky, and Deborah Harrington as the Class Representatives.

5. The Court appoints Bryan L. Bleichner of Chestnut Cambronne PA, and Terence R. Coates of Markovits, Stock & DeMarco, LLC, as Class Counsel for the Class.

6. The Court appoints EisnerAmper as the Settlement Administrator.

7. A Final Approval Hearing shall be held before the Court on ____ [date] _____, 2024 at ____ [time] _____ for the following

purposes:

- a. To determine whether the proposed Settlement is fair, reasonable, and adequate to the Class and should be approved by the Court;
 - b. To determine whether to grant Final Approval, as defined in the Settlement Agreement, including conditionally certifying the proposed Class for settlement purposes only;
 - c. To determine whether the notice plan conducted was appropriate;
 - d. To determine whether the claims process under the Settlement is fair, reasonable and adequate and should be approved by the Court;
 - e. To determine whether Class Counsel's request for attorneys' fees of up to one third (1/3) of the Qualified Settlement Fund (\$2,966,666.66), and request for reimbursement of reasonable costs and litigation expenses actually incurred, should be approved by the Court;
 - f. To determine whether the settlement benefits are fair, reasonable, and adequate; and,
 - g. To rule upon such other matters as the Court may deem appropriate.
8. The Court approves, as to the form and content, the Notices (including the Short Form Notice). Furthermore, the Court approves the implementation of the Settlement Website and the proposed methods of mailing or distributing the notices substantially in the form as presented in the exhibits to the Motion for Preliminary

Approval of Class Action Settlement, and finds that such notice plan meets the requirements of Fed. R. Civ. P. 23 and due process, and is the best notice practicable under the circumstances, and shall constitute due and efficient notice to all persons or entities entitled to notice.

9. The Court preliminarily approves the following Settlement Timeline for the purposes of conducting the notice plan, settlement administration, claims processing, and other execution of the proposed Settlement:

Any Objection failing to include the requirements expressed above will be deemed to be invalid. Furthermore, any Settlement Class Member objecting to the Settlement agrees to submit to any discovery related to the Objection.

WHAT ARE THE SETTLEMENT BENEFITS AND TERMS?

Under the Settlement, Elekta and Northwestern Memorial Healthcare (“NMH”) (collectively “Defendants”) have agreed to pay \$8,900,000 into a Qualified Settlement Fund which will be distributed to Class Members who submit valid claims, after deducting class counsel’s court-approved attorneys’ fees and expenses, and settlement administration notice and administration costs, if such award is approved by the Court. All Class Members may submit claims to receive one of two types of Cash Payments – a pro rata Illinois Genetic Privacy Act Payment (“GIPA Payment”) or a Pro Rata Cash Payment. The GIPA Payments will come from 1/2 of the Settlement Fund remaining after the deductions for payments for valid Out-of-Pocket Loss Claims, settlement administration costs and expenses, attorneys’ fees and expenses, and will be capped at \$1,000 per valid GIPA Payment claim. The Pro Rata Cash Payments will come from 1/2 of the Settlement Fund remaining after the deductions for payments for valid Out-of-Pocket Loss Claims, settlement administration costs and expenses, attorneys’ fees and expenses. In addition to these cash payments, Class Members who believe they suffered out-of-pocket losses as a result of the Data Incident may claim up to \$5,000 for the reimbursement of sufficiently documented expenses. Defendants have also agreed to implement or continue a series of business practices to limit the likelihood of a future cyberattack.
